

# Foundations in Law

Your First Step Into the Legal System of England & Wales

barbri®

## Build Your Confidence With BARBRI

Understand the Basics. Build Legal Literacy. Start With Confidence.

### Who Is This Course For?

This course is designed for individuals who want a clear, accessible introduction to the legal system in England & Wales — no prior legal training required.

It's especially suited to:

- Non-law graduates interested in a legal career
- Overseas-qualified lawyers looking to bridge their knowledge gap
- Professionals working in or around the legal sector
- Anyone preparing to take the Solicitors Qualifying Exam (SQE)
- Individuals returning to legal study or refreshing prior knowledge

### What You'll Learn

By the end of this course, you'll:

- Understand the structure and key principles of the legal system in England & Wales
- Learn essential legal terminology and how to apply it
- Explore core areas of law such as Contract, Tort, and Criminal Law
- Gain hands-on experience with legal research – a crucial skill not directly taught in SQE Prep
- Develop confidence navigating legal concepts and resources
- Build a strong foundation to transition smoothly into SQE or further legal training

### Why Take This Course?

- Build confidence in your legal knowledge before formal SQE Prep
- Become familiar with legal language, principles, and research techniques
- Study flexibly through engaging online, on-demand content
- Learn through pre-recorded lectures, workshops, exercises, and practice questions
- Gain a solid legal foundation with no pressure — there's no formal assessment

# Course Fees

barbri®

## Foundations in Law course

## Foundations in Law Course Modules

- Legal System of England & Wales
- Land Law & Property Practice
- Plus training on conducting hands-on legal research (an assessable skill in SQE2)
- Criminal Law
- Contract Law
- Tort Law
- Business Law
- Equity & Trusts

Please note that these subjects are covered in overview in Foundations in Law. If you are proceeding to SQE1 Prep, these subjects will be covered in much more detail. The Personal Study Plan (PSP) will also use a lot more functionalities to help you prepare for the assessable SQE1 exam.

## Study Commitments

The stand-alone course is enrolling on a rolling basis.  
The packaged options have set deadlines which you can find above.

## Certification

Upon completion of the course, delegates will receive a Credly digital badge and certification which can be used towards CPD hours.
